Learn about:

1. How prevalent substance use and mental health issues are among law students and attorneys.
2. How substance use and mental health impair an attorney's ability to perform legal services competently.
3. The signs and symptoms of addiction, depression, anxiety, and stress.
4. The Lawyer Assistance Program and other resources.

Co-Sponsoring Bars: APABA, FALSD, JABA, TABA

Speaker: Lita Abella, J.D.
Senior Program Analyst at State Bar of California
